Welcome!

We're so glad you're here!

FAST Academy isn't your average training - it's a hands-on, Fullerton-style deep dive into the world of cutting tools, process optimization, and problem-solving. Whether you're here to level up your technical knowledge, explore new solutions for your shop, or just see what Fullerton is all about, we're excited to hit the ground running with you.

Meet Your Host

Steve Oszust

Things to Know

Travel & Morning Pickups

You're our guest while in town - and we're rolling out the red carpet! If you're flying into MBS International Airport (Saginaw, MI), we'll be there to pick you up and get you settled in. Just let us know your flight number and expected arrival time.

While you're here, we'll also handle your transportation to and from Fullerton each day.

Need a Backup Ride?

While we'll be shuttling you throughout your stay, we know plans can change. If you need transportation outside of our services, just a heads-up - ride shares like Uber can be pretty unreliable in our area.

No worries though - we've got you covered. A local taxi service our past attendees have used (and liked) is a more dependable option.
